| Enterprise Small       | 50,000        | <ul style="list-style-type: none"><li>• Base charge +</li><li>• 12 Apps for Vulnerability Management &amp; 100 Certificates</li><li>• <b>OR</b> 8 Apps for Resilience Posture +</li><li>• 5 Workflows</li></ul>                                                                       |
| Enterprise Medium      | 110,000       | <ul style="list-style-type: none"><li>• Base charge +</li><li>• 15 Apps for Vulnerability Management +</li><li>• 15 Apps Resilience Posture +</li><li>• 200 Certificates +</li><li>• 8 Workflows</li></ul>                                                                            |
| Enterprise Large       | 220,000       | <ul style="list-style-type: none"><li>• Base charge +</li><li>• 30 Apps for Vulnerability Management +</li><li>• 30 Apps for Resilience Posture +</li><li>• 400 Certificates +</li><li>• 12 Workflows +</li><li>• 1 Compliance Framework +</li><li>• 14 Apps for Compliance</li></ul> |
| Enterprise Extra Large | 450,000       | <ul style="list-style-type: none"><li>• Base charge +</li><li>• 65 Apps for Vulnerability Management +</li><li>• 65 Apps for Resilience Posture +</li><li>• 800 Certificates +</li><li>• 20 Workflows +</li><li>• 3 Compliance Framework +</li><li>• 40 Apps for Compliance</li></ul> |

- NOTE:
1. These are only sample sizes for use when the actual number of applications, workflows, etc is not know.
  2. The use cases shown are only samples. A customer may choose to use a different combination of use cases with their RUs
  3. Select Entry is the minimum recommended size for a SaaS deal.
  4. Configuration will be added to CPQ to simplify the calculation of the number of RU required.
